## Year 1 Maths

Mr McSmythurs
February 2020

## Holymead

## Promoting positive messages about maths

- Encouraging
- Counting and calculating

- Year 1 encourage using pictures, counters, counting in 2,5,10

Numbots: What the children say

- "I really like it. I go on it at home and in school."
- "I like getting enough money to change my robot"
- "I've already completed level 5 "

$$
\begin{aligned}
& 7+?=10 \\
& 5+1 \\
& 10-4 \\
& 5+5
\end{aligned}
$$

This leads into Year 2 question: $17+?=20$

How do we teach it?

$\square$

"四

- 1.2 Part-part-whole - step 4:4

- 1.2 Part-part-whole - step 4:4

- 1.2 Part-part-whole - step 4:4

## Number bonds vs Number facts

- Number bonds: Pairs of numbers that make 10 e.g. 7 and 3
- Number facts: all pairs of numbers to make a total e.g. 8
- $5+3=8$
- $3+5=8$
- $8-5=8$
- $8-5=3$
- $8=5+3$
- $8=3+5$

## Difficulties with counting

- Going over a ten e.g. 38,39,40
- Remembering and using number bonds/facts
- One more, one less e.g. One less than 48
- Confusing -ty and -teen e.g. 80 and 18
- Language of time (!)

As well as number facts....

We all begin on Story mode.
Click Story now.

These are called Stages. There are 18 Stages.
